**COUNT I**  
**VIOLATIONS OF THE ADA AND ADAAG**

18. On July 26, 1990, Congress enacted the Americans with Disabilities Act 42 U.S.C. § 12101, *et seq.*

19. Congress found, among other things, that:

- (i) some 43,000,000 Americans have one or more physical or mental disabilities, and this number is increasing as the population as a whole is growing older;
- (ii) historically, society has tended to isolate and segregate individuals with disabilities, and, despite some improvements, such forms of discrimination against individuals with disabilities continue to be a serious and pervasive social problem;

- (iii) discrimination against individuals with disabilities persists in such critical areas as employment, housing, public accommodations, education, transportation, communication, recreation, institutionalization, health services, voting, and access to public services;
- (iv) individuals with disabilities continually encounter various forms of discrimination, including outright intentional exclusion, the discriminatory effects of architectural, transportation, and communication barriers, overprotective rules and policies, failure to make modifications to existing facilities and practices, exclusionary qualification standards and criteria, segregation, and relegation to lesser service, programs, activities, benefits, jobs, or other opportunities; and
- (v) the continuing existence of unfair and unnecessary discrimination and prejudice denies people with disabilities the opportunity to compete on an equal basis and to pursue those opportunities for which our free society is justifiably famous, and costs the United States billions of dollars in unnecessary expenses resulting from dependency and nonproductivity.

42 U.S.C. § 12101(a)(1) - (3), (5) and (9).

20. Congress explicitly stated that the purpose of the ADA was to:

- (i) provide a clear and comprehensive national mandate for the elimination of discrimination against individuals with disabilities;
- (ii) provide a clear, strong, consistent, enforceable standards addressing discrimination against individuals with disabilities; and

\* \* \* \* \*

- (iv) invoke the sweep of congressional authority, including the power to enforce the fourteenth amendment and to regulate commerce, in order to address the major areas of discrimination

faced day-to-day by people with disabilities.

42 U.S.C. § 12101(b)(1)(2) and (4).

21. The congressional legislation provided places of public accommodation one and a half years from the enactment of the ADA to implement the requirements imposed by the ADA.

22. The effective date of Title III of the ADA was January 26, 1992, or January 26, 1993 if defendant has 10 or fewer employees and gross receipts of \$500,000 or less. 42 U.S.C. § 12181; 28 C.F.R. §36.508(a)

23. The Facility is a public accommodation and service establishment. The Property is a public accommodation and service establishment.

24. Pursuant to the mandates of 42 U.S.C. § 12134(a), on July 26, 1991, the Department of Justice, Office of Attorney General, promulgated federal regulations to implement the requirements of the ADA. 29 C.F.R. Part 36.

25. Public accommodations were required to conform to these regulations by January 26, 1992 (or January 26, 1993 if defendant has 10 or fewer employees and gross receipts of \$500,000 or less). 42 U.S.C. § 1281, *et seq.*, and 28 C.F.R. §36.508(a).

26. The Facility must be, but is not, in compliance with the ADA and ADAAG.

27. The Property must be, but is not, in compliance with the ADA and

ADAAG.

28. Plaintiff has attempted to, and has to the extent possible, accessed the Facility and the Property in her capacity as a customer of the Facility and Property, but could not fully do so because of her disabilities due to the physical barriers to access, dangerous conditions and ADA violations that exist at the Facility and Property that preclude and/or limit her access to the Facility and Property and/or the goods, services, facilities, privileges, advantages and/or accommodations offered therein, including those barriers, conditions and ADA violations more specifically set forth in this Complaint.

29. Plaintiff intends to visit the Facility and Property again in the very near future as a customer in order to utilize all of the goods, services, facilities, privileges, advantages and/or accommodations commonly offered at the Facility and Property, but will be unable to fully do so because of her disability and the physical barriers to access, dangerous conditions and ADA violations that exist at the Facility and Property that preclude and/or limit her access to the Facility and Property and/or the goods, services, facilities, privileges, advantages and/or accommodations offered therein, including those barriers, conditions and ADA violations more specifically set forth in this Complaint.

30. Defendants have discriminated against Plaintiff and others with disabilities, by denying access to, and full and equal enjoyment of the goods,

services, facilities, privileges, advantages and/or accommodations of the Facility and Property, as prohibited by, and by failing to remove architectural barriers as required by 42 U.S.C. § 12182(b)(2)(A)(iv), and will continue to discriminate against Plaintiff and others with disabilities unless and until Defendants are compelled to remove all physical barriers that exist at the Facility and Property, including those specifically set forth herein, and make the Facility and Property accessible to and usable by persons with disabilities, including Plaintiff.

31. Defendants have discriminated against Plaintiff by failing to comply with the above requirements.

32. A specific, although not exclusive, list of unlawful physical barriers, dangerous conditions and ADA violations which Plaintiff experienced and/or observed and preclude and/or limit Plaintiff's ability (because of her disability) to access the Facility and Property and/or full and equal enjoyment of the goods, services, facilities, privileges, advantages and/or accommodations of the Facility and Property, include, but are not limited to:

**(a) ACCESSIBLE ELEMENTS:**

- (i) The access aisle adjacent to the two accessible parking spaces is not level due to the presence of a ramp in said access aisle, in violation of section 502.4 of the 2010 ADAAG regulations.
- (ii) The Property has a ramp leading from the accessible parking

spaces to the accessible entrances with a slope exceeding 1:10 (one to ten), in violation of section 405.2 of the 2010 ADAAG regulations. This violation made it dangerous and difficult for Plaintiff to access the units of the Property.

- (iii) The interior of the Facility has sales and services counters lacking any portion of the counter that has a maximum height of 36 (thirty-six) inches from the finished floor, in violation of section 904.4 of the 2010 ADAAG regulations, all portions of the sales and service counter exceed 36 inches in height from the finished floor. While there is a section of the counter that is at the required 36" (thirty-six inch) height, the Facility maintains a policy of situating a lottery machine in this location, rendering the space unusable for sales transactions. This violation made it difficult for Plaintiff to properly transact business at the Facility.
- (iv) The Facility has credit card transaction equipment that is at a height exceeding 48 (forty-eight) inches from the finished floor in violation of section 308.2 of the 2010 ADAAG standards.
- (v) The interior of the Facility has walking surfaces lacking a 36 (thirty-six) inch clear width in violation of section 403.5.1 of

the 2010 ADAAG regulations. Specifically, the clear width of the route to the restroom is impeded by chairs. This violation made it difficult for Plaintiff to properly utilize public features at the Facility.

**(b) RESTROOMS:**

- (i) The door of the restroom entrance of the Facility lacks proper minimum maneuvering clearance, in violation of section 404.2.4 of the 2010 ADAAG standards. This made it difficult for Plaintiff to safely utilize the restroom facilities.

33. The above listing is not to be considered all-inclusive of the barriers, conditions or violations encountered by Plaintiff and/or which exist at the Facility and Property.

34. Plaintiff requires an inspection of Facility and Property in order to determine all of the discriminatory acts violating the ADA.

35. All of the above violations are readily achievable to modify in order to bring the Facility and Property into compliance with the ADA.

36. The removal of the physical barriers and dangerous conditions present at the Facility and Property is readily achievable because the nature and cost of the modifications are relatively low and the Defendant has the financial resources to make the necessary modifications.

37. Upon information and good-faith belief, the Facility and Property has been altered since 2010.

38. In instances where the 2010 ADAAG standard does not apply, the 1991 ADAAG standard applies and all of the violations listed in paragraph 32 can be applied to the 1991 ADAAG standards.

39. Plaintiff has attempted to gain access to the Facility and Property in her capacity as a customer, but because of her disability has been denied access to, and has been denied the benefits of services, programs and activities of the Facility and Property, and has otherwise been discriminated against and damaged by Defendants, because of the physical barriers, dangerous conditions and ADA violations set forth above, and expect to be discriminated against in the near future by Defendants because of Plaintiff's disabilities, unless and until Defendants are compelled to remove the unlawful barriers and conditions and comply with the ADA.

40. The removal of the physical barriers, dangerous conditions and ADA violations set forth herein is readily achievable and can be accomplished and carried out without much difficulty or expense. 42 U.S.C. § 12182(b)(2)(A)(iv); 42 U.S.C. § 12181(9); 28 C.F.R. §36.304.

41. Plaintiff is without adequate remedy at law, is suffering irreparable harm, and reasonably anticipates that he will continue to suffer irreparable harm

unless and until Defendants are required to remove the physical barriers, dangerous conditions and ADA violations that exist at the Facility and Property, including those set forth herein. The relief requested serves the public interest, and the benefit to Plaintiff and the public far outweighs any detriment to Defendant.

42. Plaintiff has been obligated to retain the undersigned counsel for the filing and prosecution of this action, and has agreed to pay the undersigned counsel reasonable attorney's fees, costs, and expenses from Defendants pursuant to 42 U.S.C. §§ 12205 and 12117, and Plaintiff is entitled to attorney's fees, costs, and expenses from Defendants.

43. Pursuant to 42 U.S.C. § 12188(a), this Court is provided authority to grant injunctive relief to Plaintiff, including an order to alter the subject Facility and Property to make it readily accessible to and useable by individuals with disabilities to the extent required by the ADA.

WHEREFORE, Plaintiff prays as follows:

- (a) That the Court find JMM83 in violation of the ADA and ADAAG;
- (b) That the Court find 5EA in violation of the ADA and ADAAG;
- (c) That the Court issue a permanent injunction enjoining Defendants from continuing their discriminatory practices;
- (d) That the Court issue an Order requiring Defendants to (i) remove the physical barriers to access and (ii) alter the subject Facility to make it

readily accessible to and useable by individuals with disabilities to the extent required by the ADA;

- (e) That the Court award Plaintiff her reasonable attorneys' fees, litigation expenses and costs; and
- (f) That the Court grant such further relief as just and equitable in light of the circumstances.

Dated: May 26, 2016.

Respectfully submitted,
